KING KORN

"King Korn" was a bouncing success.
You can depend on De Bartolo and North

IT'S STALLONE RANGER! DEPT.

For years, Hollywood made movies about the Fight Game that were loaded with clichés. Recently, however, instead of bringing back another one of those "Joe Palooka" pictures, they made a brand new type movie about the Fight Game... loaded with brand new clichés. You'll see what we mean in this version of

ROC

Hey, Rockhead! You are one lousy fighter!

Oh, yeah? Know what I'm gonna do? I'm gonna get a shot at the Champ!

The only way you'll get a shot at the Champ is if you buy a GUN!

LOOK at me! I'm a loser!

If you put on some makeup, bought some nice clothes and went to Charm School, you know what you'd be...?

Yeah! Wasting my time!

My Sister's got no social life! I see her sitting at home every night... watching TV!

What kind of social life YOU got... sitting at home every night watching your Sister while she's watching TV?!

I... Appalling Greed... will stage a Championship Fight on July Fourth to celebrate Independence Day!

Why Independence Day...??

'Cause I am gonna separate some Honky's head from his Honky body!

This movie shows what can happen to an underdog who keeps his faith and fights valiantly against tremendous odds!

You mean he wins in the end?

No, he gets his brains beaten out!

TRUCKER

KHEAD

ARTIST:
MORT DRUCKER

WRITER:
STAN HART

Okay, here's the one I want! "The Italian Stallion"! He must be called that because of his BUILD!

I know him! That's a typo! Actually, he's called "The Italian Scallion" ... because of his BREATH!

Hey, Rockhead! If you get me a part time job with Greaso The Loanshark, you will go out with my Sister!

An' if I get you a FULL TIME job wit' him ...?

Then I won't make you go out with her!

I want you should go out with Rockhead!

No, Bawly! He wants what all the other guys want!

Sure ... but the difference is ... he forgets what it IS!

No ... I refuse!!

This is some Thanksgiving Day Party!! You know what you can do? You can t'row the damn turkey out the window for all I care!!

I meant THIS turkey ... not THAT turkey!!

Hey, Atrium! How about goin' out wit me, huh ...?

Keep after her!

She ain't answering, Bawly! I don't think she likes me!

Sure she does! You got a certain quality she loves!

C'mon, will you! I'm stupid, I'm a slob and I got no future! What kinda quality have I got?

Honesty ...!!

My Fadder tol' me t' always use my brawn ... 'cause I got a great body, but no brains!

My Father told me to use my brains ... because my body is nothing!

Hey, we make a great team! Imagine if we had a baby an' he had your brains an' my body?!!

With our luck, he'd have YOUR brains and MY body!

Ahhh, so what! That didn't stop Sonny Bono!

Nobody wants to fight me 'cause I'm a lefty! I never amounted to much 'cause nobody gave me a chance!

Could your clumsiness have anything to do with it?

I'm not Clumsy! This ice is slippery!

But we're not on the ice anymore!

You live here all alone?!

That you needed some help to get this place as filthy as it is!

I don't think I should stay, but somehow, I can't seem to leave!

No... I'm stuck here in your couch... because of this broken spring!

Sure!! Wha'd ya think?

C'mon, now! Why don't you relax?

You're turned on by my looks, huh?

Hold still!! Let me take off your glasses!

Oh, that's such a cliché! You wanna see if I'm pretty!

Please! Don't start anything! I have a confession to make! I'm 30 years old and still a virgin!

It's only been tough the last 20 years!

No, I DON'T want you to see where my hands are going!

That must be tough!

Please! I... I never kissed a man before!

What HAVE you kissed?

You'll never know the difference!

Every animal in the pet shop...

Rockhead... how would you like to fight the Champ... Appalling Greed?

Are you kiddin'?! I ain't good enough t'—oops!

You're perfect!! You'll get 150 grand for doing what you just did!

Fall on your face!

My guess would be... just once!

What'd I just do??

Will he hit me a lot?!

I'd like to manage you for the big fight, my boy!

Why...?

'Cause I've always treated you like a Father would!

What? You t'row my stuff in the street... you yell at me in front of everyone... you make me feel like a stupid useless little kid!

See! I told you I treat you like a Father would!

Gotta start my training! Now, let's see this schedule I gotta keep...

4:00 A.M. Wake up and get out of bed!

4:05 A.M. Crack 8 raw eggs into a glass!

4:10 A.M. Swallow the 8 raw eggs...

4:12 A.M.... vomit...

Both your eyes are shut tight! At least that's **ONE** lucky thing ...!

What's lucky about that?

Now you can't see your nose is broken!

This round, I give him and uppercut in the ribs, a hook in the sirloin and a jab in the brisket!

Geez, I told you you were sparring with those sides of beef too much!

I ... I gotta get up! An' ... an' I only got ten seconds to do it!

Take your time! Don't you know that in all **Fight Pictures**, it takes the Referee a full two minutes to count to ten?!!

ROUND

8

This is the bloodiest, most gruesome encounter I've seen since last Thursday!!

What happened last Thursday?

The Philadelphia Flyers played The New York Rangers in a hockey game!!

We have a split decision!

The Judges have awarded 15 points for Rockhead ...

18 points for the Champ ...

... and 25 points for the Make-Up Man!!

Atrium, I love you! Will ya marry me?

Oh ... yes! Yes! I will Rockhead!

Isn't that warm and wonderful! An under-dog sees his dreams come true, marries the girl and lives happily ever after!!

Oh, yeah? I'm not so sure! Look ...

Stand up, Rockhead! Don't slouch! Stop mumbling when you talk! Tie your robe! Wash your hands and face and show me they're clean! If they're not, back you go to the bathroom and do it all over again! Now, the first thing—

Hey, le'me get MY licks in, Atrium, in as much as I'm gonna live wit' you! Now, I need a new car, an' a new suit, an' ...

VAST BLAST FROM GRAY'S BLAZE DOUSES HOUSES, SOAKS FOLKS

Goof of Daughter Spreads to Water, Causes Slaughter

By Melvin Spelvin

A raging blaze swept through today
The residence of Quincy Gray
Who lives at 24 - 0 - 2
South Lackawanna Avenue.
The house went up when
Gray's young daughter
Mistook turpentine for water,
After which the fire spread
To Gray's adjoining backyard shed,
Igniting sticks of dynamite
Which filled the air with
Gray's son, Dwight.

Lloyd Destroyed

The blast brought down a power line,
Electrocuting Lloyd T. Fein,
And then ripped through a water main,
Which flooded homes on Yulvey Lane
And swept three cars and
one old flivver
Straight into the Chumbee River,

Very Hairy on Ferry

There they went downstream afloat
Until they struck a ferryboat,
Which sank in seconds in the sound
And left some 37 drowned,
Whose families assert that they
Will now be suing Quincy Gray,
Who's fully covered, if you please,
With large insurance policies,
Except, "The Rhyme"
learned late today,
His premiums he didn't pay.

You Shouldn't Miss A Scoop Like This

This story in "The Daily Rhyme"
Confirms a piece in this week's
"Time,"

Based on a rumor NBC
Got wind of Monday from AP,
Who picked it up from CBS,
Who read it in the foreign press.
It seems this famous millionaire...
But face it, do you really care?

By Murray Fox

GM's off 3,
And so's GE
While Exxon's down to 81.
Pan Am has slipped,
Gulf Oil has dipped
Because of news from Washington.
The steels are weak,
Down from their peak,
And Polaroid's begun to fall.
It's very clear
A crash is near,
So sell before you blow it all!

DAKOTA TOYOTA IN RASH CRASH

**Runs Into Datsun
Of Oliver Watson**

By Chester Fester

Young Philo Freen of North Dakota
Late last night in his Toyota
Crashed into the light-blue Datsun
Occupied by C. T. Watson,
Then bounced off a red Polara
Driven by John J. O'Hara,
Sending five folks straight to heaven
Three miles west on Highway 7.

Freen Not Clean

State Police out at the scene
Have thrown the book at driver Freen.
"It's clear the creep was
stoned on grass,"
Declared patrolman Walter Kass,
"Or high on speed or smashed on junk—
"If not, then he was driving drunk."
"In any case, he's one bad punk
"And what he did—it really stunk."

Marshal ■ Partial

Said County Marshal Elmer Yost,
"It's punks like Freen
I hate the most."
"I'd like to see the rat get jailed
"And whipped and clubbed
and stoned and flailed
"Or, failing that, tied in a sack
"And stretched upon a torture rack."
"I'd never let the punk go free—
"Too bad that he died instantly."

U.S., RUSSIANS, END DISCUSSIONS WITH A TREATY THAT'S A SWEETIE

Just moments after both sides signed this pact for all posterity
The diplomats exchanged a toast to show their deep sincerity.

By Milton Stilton

The U.S. and the Soviets
Have signed a guarantee
That neither side will lose its cool
In case of World War III.
No matter which side starts the war,
There is a special clause
Outlawing H-bombs and the like
Unless there's some good cause.

Test is Stressed

Should either side get so upset
It has to use its warheads,
The other nation has the right
To call them silly soreheads.
The day before the war begins
Both sides will get the chance
To test their bombs by blowing up
Rumania or France.

Less Trouble with Rubble

Should either side be laid to waste
With very few left living,
The loser has to sign a pledge
That he will be forgiving.
The signers of the treaty say
The pact should now increase
The chance that they'll be given this
year's Nobel Prize for Peace.

NO SURPRISE AS TAXES RISE TO THE SKIES

By Irwin Kerwin

The City Council said today
That citizens will have to pay
New taxes on their diamond rings,
On Dairy Queens and Burger Kings,
On first-born girls and red-haired sons,
On basset hounds who get the runs,
On Hershey bars and cigarettes,
On losses by the New York Mets,
On trousers that are cleaned and pressed,
On people who have gone through EST,
On anyone who's name is Fred,
On being born and dropping dead.
Said Council leader Quincy Blair,
"We think these taxes are quite fair.
"We need them all, because today
"We gave ourselves a raise in pay."

QUICK REVIEWS OF MAJOR NEWS

A plane hijacked by terrorists
is heading for Damascus.
The leader says, "We'd like to land,
but no one's thought to ask us."

Sextuplet girls were born today
to Bessie Kaye of San Jose.
Their names are Fay and Kay and May—
the rest she hopes will go away.

In Santa Fe, a man named Ware
has made a St. Bernard his heir.
In Jacksonville, a man named Brock

Hi out there, it's time that you
Found out who's doing what with who...
The biggest item deals with Liz
Who's going in the TV biz;
She'll get a million bucks a year
Replacing Cronkite, so we hear...

We're told Sinatra toured the South
And punched a possum in the mouth...

The word is out that Tommy Smothers
May team with the Osmond Brothers;
Should the deal go through, prepare
For brother Dick to team with Cher,
Which means that Sonny will be free
To start his Shakespeare company...

Don't be surprised if Bob Goulet
Will film the life of Turhan Bey...

We're told Sinatra toured Duluth
And punched a hamster in the tooth...

Seen 'round town are Phyllis Diller,
Johnny Miller, Jerry Stiller,
Arte Johnson, Charles Bronson,
Gloria Swanson and Stan Bahnsen,
Lauren Bacall and Lucille Ball,
Monte Hall back from Nepal,
Barbara Bain, MacArthur Lane,
Joan Fontaine and Michael Caine,
Bobby Orr, Daniel Schorr,
Don DeFore and many more...

We hear while touring overseas
Sinatra punched a Pekingese...

Although there's lots more I could say,
I'll write 'em down another day;
It's not that I don't have the time;
It's just that I can't make 'em rhyme.

ADVICE TO THE NEEDY

By Edie McReedy

Dear Edie:

I'm engaged to a girl with a twitch,
And each time I touch her, I itch;
She walks on all fours,
Never goes out-of-doors,
And on weekends turns into a witch.
Upset

Dear Upset:

It's clear from your girl you are shook
And would like to be let off the hook;
Although you can't face her,
Before you replace her,
Find out if she is a good cook.

Dear Edie:

My boy-friend is handsome and kind
And he's blessed with a beautiful mind;
He never ignores me
And always adores me;
No happier girl you can find.
Joyful

Dear Joyful:

What kind of a loony would think
That her love-life was rosy and pink?
You must be psychotic
Or on some narcotic;

ON THE SCREEN

With Chauncey Green

I think that I shall never see
A movie done so terribly
As something called "The Swollen Gland,"
Which now is playing at the Strand.
It stars George Segal as a cop,
Who, staking out a barber shop,
Observes a Fresno CPA
Attempt to kill Faye Dunaway,
Which leads into a torrid scene
With Goldie Hawn and Steve McQueen,
Who, on the lam with Robert Shaw,
Get lost in downtown Wichita.
Before it ends, James Caan is slain
And Michael Caine, declared insane,
Climbs thirty flights and takes a leap—
Don't ask me why, I fell asleep.

A MOON FOR THE MISBEGOTTEN DEPT.

Recently, there has been an alarming upsurge of **weird behavior** among a group of our young people! We mean **real funky stuff**, like **being polite** and getting **short haircuts** and wearing **clean, neat clothes**! Naturally the **parents** of these youngsters are **worried**! And so, as a public service, MAD now investigates the man who is **responsible** for this freaky behavior, the head of **The Loonatication Church**, the Reverend **Sun Set Loony**, who has been named...

MAD'S "RELIGIOUS CULT LEADER" OF THE YEAR

Reverend Loony... I'm Mike Malice... for MAD Magazine! They've asked me to conduct an "In-Depth Interview" with you, so—

Say, this is some fantastic place you have here! What do you call it... **SAN SIMEON EAST??**

I call it **"THE GARDEN OF EDEN"**! Would you care for an apple?

No, thanks! Y'know... I always thought that Religious Leaders lived—er—**SIMPLY!**

You thought wrong! Why shouldn't I live as comfortably as a **Rock Star** or a crooked **ex-President**? Do you know that it is written: **"The New Messiah shall come from Korea... he shall be five-foot-two-inches tall... have dark hair and eyes... and be born under the sign of Taurus The Bull..."** which happens to be **MY SIGN!?!**

No, where is that written?

In my book, **"THE WIT AND WISDOM OF REVEREND LOONY, THE NEW MESSIAH!"**

ARTIST: GEORGE WOODBRIDGE

WRITER: LOU SILVERSTONE

You haven't read my book?! It usually sells for **\$5.95**, but we're having a **SPECIAL SALE** this week! For **\$5.95**, you get my book **PLUS** this **Volume of Authentic Golden Oldie Korean Hymns**—including such favorites as **"Let's All Gather At The Bank Vault"**—**PLUS "The Korean CIA Handbook On How To Buy Friends And Influence People"**... **AND** this real collectors' item, the **"Reverend Loony Superstar Tee Shirt"**!

Reverend Loony... if you ever decide to leave the **Religion Business**, you have a **great future** on **Madison Avenue**...!

Tell me, sir! Why did you come to the U.S.?

I was in my garden one day when I received a **message!**

A **Divine Message** from God?

No, it was a **Mailgram** from my **Accountant!** He explained that **"Religious Organizations"** do not have to pay **TAXES** in the U.S.! So I packed my **carpetbag** and here I am! And it's a **good thing** I **CAME** to your country!

Why? Because there are so many Americans who need **salvation**?

No, because there are so many **dumb suckers** who are willing to pay **\$2.00** for a box of **lousy candy** that costs me **23 cents!**

Is it true that you only have 2000 church members in the U.S.?

Allow me to quote a great wise leader who once said, "It is better to have 2000 followers and 250 million dollars in the bank than to have 250 million followers and 2000 dollars in the bank!"

What wise leader said that?

Richard Nixon!

Then you're satisfied with the small number of converts you've been getting?

If YOU were the head of a Church, would you rather win the heart and brain of a man ... or his purse?

His heart and brain!

Boy, are you stupid! What good is a heart and brain ... unless you're a DOCTOR FRANKENSTEIN!!

Tell me, Reverend, how do you get your new recruits?

Simple! We run ADS in college newspapers, saying that we are seeking people who want to do their bit for the Ecology ... or want to better Mankind ...

But ... isn't that false advertising?

Is there any other kind?!

What happens when young people answer your ads?

We start by having "Rap Sessions" like this one ...

Loony ... Loony ...

LOONY ...

LOONY!

Loony is the Master! You will obey the Master!

Loony is your mind! Loony is your brain!

You will give us the plans, Yank ... or you will DIE!

But ... but isn't that BRAINWASHING?

I am only a poor Oriental! What do I know of such things? Come! I will let you speak to some of my Zombies—I mean LOONIES ... and you'll see for yourself that they have not been brainwashed!

Have you been subjected to any form of mind control?

We joined the Master of our own free will!

Master—good! Parents—finks!

Candy! Flowers! Candles! Please! Won't you help the poor orphans? Candy! Flowers! Candles ...

Do the proceeds from your street sales really go to orphans?

Why, of course! I'M an orphan!!

Tell me, do you allow members of your Church to get married?

Of course! I perform the marriage myself! It's very very beautiful... especially the **Bride-Purifying Ceremony**...!

How does a **Bride** become **PURIFIED**?

How do **YOU** think?! She must... as you Americans say... "make it" with a **PURE MAN**!

I'll bet **YOU** are **MR. PURE**!

You better believe it! It's a fringe benefit of being a **Messiah**!

Could you tell us some of the problems you've encountered since you came here to America?

My biggest problem is trying to eat **Filet Mignon** with **CHOPSTICKS**!

Another **Excedrin** headache is **American Parents**! They hire these so-called **DE-PROGRAMMERS** to get their kids back!

And do these **De-Programmers** that they hire cause you much trouble??

They are the tools of the Devil!! They **KIDNAP** my slaves—uh—followers, and they turn them against me by telling them dirty vicious Communist lies!

You mean they quote to them from **MARX**??

No, they quote to them from the **BIBLE**!!

Reverend Loony... is it true that you own several companies in Korea?

Yes, we manufacture many useful things... like **Ginseng Tea**! I intend to make **Ginseng Tea** into America's National Drink!

If you're pushing **Ginseng Tea**, why are you drinking **COKE**??

Just because I sell the stuff doesn't mean I gotta drink it!

Man... have you ever **TASTED** **Ginseng Tea**???

What else do your companies manufacture?

Rifles!

Isn't making guns a strange business for a Church to be involved in?

If you were going to be killed, wouldn't you prefer to be wasted by a rifle that has my **Holy Seal of Approval**!?

There are **OTHER** Koreans who **ALSO** claim they are the **Messiah**!

I am reminded of an old Korean saying: "Religion is a lot like **Show Biz**! When you finally get a good gimmick, everybody tries to steal your act!"

But how can we know you are the **TRUE** **Messiah**?

Would I **LIE**...?!

Come! I must go forth into the **evil** city to see if my heavenly message is getting across!

Why? They should be pleased!

For many television viewers, the characters on their favorite TV shows are very real. Networks get many letters each year addressed to Steve Austin, Marcus Welby, Maude Findlay and the rest, which proves how true-to-life these characters are. Eventually, of course, even the most successful show runs its course, and after it's cancelled, the characters just disappear. This hardly seems right. After all, if they were lifelike to start with, they should die like the rest of us. Which explains the MAD logic behind these

TED BAXTER FOUND DEAD

Ted Baxter, 45, a newscaster for station WJM-TV in Minneapolis, Minnesota, was found dead yesterday in his apartment.

According to the city coroner's report, Baxter had been dead for at least four days before his body was discovered.

Baxter's co-workers expressed mild surprise on hearing of his death.

MR. TED BAXTER

"We all wondered where Ted was these past few days," said Mary Richards, an associate producer. "Most of us figured he was staying away to give us all a free vacation."

"The first day he didn't show up, I became a little concerned," said station manager Lou Grant, "but the college kid we replaced him with did such a great job that I soon put Ted out of my mind."

In accordance with his wishes, Baxter will be given a lavish funeral, with recordings of his favorite news bulletins being played during the service. Baxter's co-workers have been trying to track down his friends who might wish to attend the funeral. So far, they have had no success.

ARCHIE BUNKER DIES; Noted Bigot Was 66

Archie Bunker is dead at 66.

The noted hard-hat and bigot collapsed of a heart attack last night after learning that his wife, Edith, was one-sixteenth Jewish. Bunker had been in ill health since May, when he developed a nervous disorder brought on by a Jamaican family moving into the house next door. Survivors include,

MR. ARCHIE BUNKER

in addition to his widow, a daughter, Mrs. Mike Stivic, and a grandson. Moments before he died, Bunker removed all of their names from his will. His estate, estimated at approximately \$900, will go to the Council to Renounce, Eliminate and Eradicate Pinkos. (CREEP) A World War II veteran, Bunker was a member of the American Legion, Veterans of Foreign Wars, and regional vice-president of Patriotic Right-Wingers Indicting Draft Evaders (PRIDE).

A memorial service for Bunker will be held tomorrow at Grogan's bar. The family requests that no one attend the funeral.

Steve Austin Dies at 55, A Victim of Obsolescence

Colonel Steve Austin, Government agent, former astronaut, and the world's first bionic man, died last night at 55. According to Austin's superior, Oscar Goldman, death was caused by "bionic obsolescence". Six months ago, Austin suffered a fractured transistor, followed by a pulled hamstring wire and several short-circuited organs. No spare parts were available, so a wind-up key was inserted in Austin's back, which his body rejected. He was kept alive briefly by plugging his body into an electric generator, but last night the plug was

COL. STEVE AUSTIN

pulled because of rising utility costs. A native of Ojai, California, Austin entered the nation's space program in 1968, when NASA was testing its Fiasco rocket, officially known as Project Armageddon. Austin volunteered to test the rocket after 24 other spacemen had refused, affirming at the time his belief in "American know-how and superior technology." After the rocket exploded 15 seconds after launching, Austin, severely injured, was rebuilt completely with bionic parts, the operation costing \$6 million. Unable to pay the bill, Austin agreed to work it off in installments by destroying America's enemies at home and abroad.

Austin will be buried in Arlington National Cemetery next to the grave of Jaime Sommers, the first bionic woman, who died a year ago, a victim of inadequate wiring.

J.J. Evans Dies at 17

Mr. "J.J." EVANS

J. J. Evans, 17, son of Florida, brother of Thelma, and older brother of Michael, died suddenly yesterday. He was working at his summer job as a warehouse assistant at the Acme Munitions Plant.

According to eyewitnesses, Evans absentmindedly lit a match to get a closer look at a case of high power explosives. The last thing he said, before being blasted out of existence, was "Dy-no-MITE!"

"Mother" Jefferson Dies of Overdose

"MOTHER" JEFFERSON

"Mother" Jefferson, 78, died today from an overdose of sleeping pills. According to a neighbor, Florida Evans, she had been suffering from a severe depression brought on by an attack of laryngitis, which prevented her from talking.

Neither her son, George, or her daughter-in-law, Louise, were available for comment. On hearing the news of Mrs. Jefferson's death, they took off immediately for an extended holiday and celebration. Funeral services will not be held, there being no mourners.

Marcus Welby Dies Of Natural Causes

Dr. Marcus Welby, 72, died yesterday of natural causes. The prominent physician collapsed in his home late in the morning and was unable to persuade any of the city's doctors to make a housecall. He succumbed at about 4 p.m., his death coinciding with the arrival of the ambulance he had called five hours earlier.

Said Welby's colleague, Dr. Steven Kiley, "In the world of medicine, these are natural causes."

"I wish I could have saved him," Kiley added, "but he wasn't my patient and I could have been sued for malpractice."

"I knew he was ailing," said Dr. James Kildare of Blair General Hospital, "but I couldn't treat him until I was certain he was covered by Blue Cross." "Welby left a message on my answering service," said Dr. Joe Gannon of Medical Center, "but I was tied up making rounds at the hospital. I'm sorry to hear of his death, but I hear it's going around."

Funeral services will be held tomorrow, at which time, in Welby's memory, mourners will take two aspirins and call each other in the morning.

BROAD HUMOR DEPT.

Today, there are women Governors, members of Congress, newscasters, executives, West Point cadets, etc. Women have a brand new image everywhere . . . except in the world of TV Sitcom Shows, where they apparently never heard of Women's Lib. There, women are still portrayed as sex symbols or brainless dolts or helpless clods or man-hungry idiots. This is especially true of the hit show about two female brewery workers who are all of the above . . . except sex symbols! Namely:

Lavoine & Shoiley

ARTIST: ANGELO TORRES

WRITER: LOU SILVERSTONE

Tonight, we're using that old reliable "Continued Story" gimmick! On "Crappy Days", I had a date with the **Sensuous Sextuplets!** But unfortunately, my two **Cousins** were visitin' me! So I announced that I would ask Lavoine and Shoiley if they would entertain my Cousins... an' all my fans have stayed tuned! You dig??

Are they **BOY Cousins**...???

HEY-YAY! Would the Fonz have any other kind???

Gee, Fonz, you didn't tell us they were **MIDGETS!!**

Whoa-ohh! They ain't midgets! They're only ten years old!

You didn't tell us that, either!

Hi, little fellah! Have you ever been to a Senior Prom...?

Sit on it, Nerd!

Hi, there, girls! Did you have an exciting week-end?

Sure! If you can call babysitting with a couple of ten-year-old midgets exciting!

The reason you girls sit home so much is... well, it's your reputation! I mean, who ever heard of "not shaking hands on a first date"???

Good morning! I brung you a pizza...!

For breakfast?!

Sure! Instead of mozzarella an' anchovies, I put on corn flakes an' bananas!!

Could we use your bathroom? Ours's flooded! I was washing my bowling ball and Squeegie accidentally flushed it down the John!

Be our guest!

You want a jelly bean?

Thanks, Squeegie! Er... why are you taking off a shoe?

I got a hole in my pocket, so I keep the jelly beans in my sock!

Uh... y'know that offer you made me for a jelly bean? Well, forget it!!

Boy, ain't that just like a dame, makin' me take off my shoe for nuttin'!??

I'll have some, Squeegie! You got a black one?

They're **ALL** black!

Hey... Shoiley! Look at what it says here on the Bulletin Board!!

Well, since our writers obviously watch old Mickey Rooney movies for their ideas each week, I figure it probably says the Company is gonna put on a **SHOW!!**

It's not exactly a Show! It's a Talent Contest! They're gonna choose two girls to be "Dancing Beer Bottles" for a TV Commercial!

Gee... it's too bad they ain't pickin' "Dancing Beer BARRELS"... because you two would be sure winners!

Some day, I'm gonna drop that bimbo!

Hey, Lavoine, remember you're a lady! Instead of resorting to fisticuffs, rank her with a cutting remark... like, "People in glass houses shouldn't throw stones!"

Okay, I took your advice! I zapped her with a rock!

Now, let's fill out an entry blank for the Talent Contest!

We can't! It's too undignified!

What's so undignified about a Dancing Beer Bottle?

We GOTTA enter, Shoi! I mean, I'm tired of being a nothin'! Maybe we would win! Then we would BE somebody! We would be **CONTENDERS!**

Gi'me one good reason why I should make a fool of myself!

MEN...!!

That's a good reason!

Uh... **WHAT men?!!**

All those TV guys who'll make the Commercial! The camera men, the producers, the directors, the real classy types! Not like the creeps and slobs we usually associate with!

Did somebody call us...??

Hey! It ain't fair! It says this contest's for girls only! I went and shaved my legs for NUTHIN'!

You shaved your legs in our bathroom sink?!!

No... in your kitchen sink! Loonie was rinsing his unmentionables in your bathroom sink!

If we can't be in the contest, how about we act as your Managers?!

It's a deal! Now, let's see if you can manage to make yourself **SCARCE!!**

TALENT CONTEST
DANCING BEER BOTTLES
WISD-GIRLS

We ain't gonna be your Managers for nothin'!

Okay, you get the usual 10%!

You think we're dummies??? We want 1% **EACH!** That way... together, we get 11%!!

One thing bothers me! How does a beer bottle dance??

Hey, Pop! Did you ever see beer bottles dance...?

No... but I remember a few nights around here when I seen beer bottles **FLY!!**

Any more lines like that, and you'll be back doing "Men's Hair Coloring" TV Commercials!!

Oh-oh!
Look
who
just
dropped
in! It's
Peter
Pan ...!

No, it's
Coalmine,
the Italian
Fred Astaire
with the
solution
to our
problem!

That's why I'm here,
Angel Pusses! You
got somebody you
want me to punch
out ... or do you
want to learn to
dance the Twist?!!

We
wanna
learn
how to
dance
like a
beer
bottle!

Hold it! Hold it! No ... no!
You're not getting it! You
have to FEEL like a beer
bottle! When I say "beer,"
what do you think of ... ?

Goin'
to the
bath-
room!

I think of gusto
... lightness ...
... enjoyment ...
an' cool taste!

I STILL
think of
goin' to
the bath-
room!!

We gotta make
sure Lavoine an'
Shoiley win that
contest! We could
bribe the Judges
... except that
we're broke!

Maybe we
could, like,
scare 'em by
threatening
to take 'em
for a ride?

We ain't
got no car!

We could
borrow my
kid brother's
bike ...!

You can't take
nobody for a
ride on a bike!

Sure you
can! On the
handle bars!

There's ONE way
that CAN'T fail!
Them Judges are
men, right? And
what are Lavoine
and Shoiley ... ?

Gi'me a hint!
They're girls!
And what do
men want from
girls ... ?

Boy, dat's a
hard one!
I give
up!

We'll spread a rumor that
Lavoine and Shoiley are
... y'know ... EASY! An'
the Judges will vote for
'em, figurin' that they'll
get a little—uh—reward!

Does the
reward
come
out of
our
11%?!

We'll leave a
message here in
the Executive
Washroom, where
the Contest
Judges can't
miss it ...!

I just learned a very
important lesson, Loonie!
Executives go to bathrooms
just like ordinary workers!
That could only happen
in the good ol' U.S.A.!!

Boy, wait till
the Judges
read this ...!

Hey! Where're
YOU goin'??

I'm going' to
see Lavoine
an' Shoiley!

I just read
that they're
"PUSHOVERS"!

LAVOINE
AND SHOILEY!
ARE PUSHOVERS!
THEY NEVER
SAY NO!

The next two contestants ... Lavoine and Shoiley!

YAAAYYYYYY! They're Number One!

I seen better heads on REAL bottles of beer!

They're the ones, Charlie! Vo... dee... oh... do!!

... and the winners of the Schlock Dancing Beer Bottle Contest are ... LAVOINE AND SHOILEY!!

We won! WE WON!!

I wanna thank my parents for their faith in me, my choreographer, Coalmine, and my partner, Lavoine!

I can't believe it! We WON! We WON! Gosh, how can we ever thank you guys for voting for us?!!

We're sure you'll think of SOMETHING when we go out tonight!

You mean you executives from upstairs in the Advertising Department want to take US OUT?!

Wait! I gotta check our Social Calendar!

Are you nuts?! Come on, before they change their minds!

That's the trouble with you, Lavoine! You're always too anxious! Remember when we entertained the inmates at the State Mental Hospital? Why, you accepted a DATE with one of them!!

Yeah, with Napoleon! But I TURNED DOWN God!

All right! The proper time has elapsed! Now... very casually... tell them we happen... to be free this evening, and we accept!

OKAY, you guys! We ain't doin' nothin' tonight, so... we're ALL YOURS!!

Hey, girls! You wanna go to a Carnival! The owner of the Freak Show gave us a free pass!

Are you sure it wasn't an invitation to be his new STARS?

Sorry, fellas, but we have a previous engagement with two of the Contest Judges!

Boy... are them guys gonna be disappointed!
